Divorced / Separated Household Form

This form helps us care for your child correctly and follow Pennsylvania law (23 Pa.C.S. § 5336). Please complete one per child or family.

Child(ren)'s name(s): _____

Custody arrangement: ☐Shared legal custody ☐One parent has sole legal custody ☐Other: _____

Is there a court order that limits either parent's access to the child or the child's records? ☐Yes ☐No: _____

If yes: we must have a copy of the current order for the chart. Until we receive it, Pennsylvania law requires us to give both parents equal access to records and the patient portal.

I understand and agree:

- Both parents receive equal information and portal access unless a court order on file says otherwise.
- Either parent may consent to routine care during their custodial time.
- The parent who brings the child pays at that visit. The practice does not divide bills between parents or enforce divorce agreements.
- Staff will not take sides in custody matters, write custody letters as a routine service, or restrict the other parent without a court order.
