Privacy (HIPAA) Acknowledgment

Franklin Pediatric Associates keeps your child's health information private, as federal law (HIPAA) requires. Our full Notice of Privacy Practices explains how we may use and share health information for treatment, payment, and running our office, and it lists your rights. A copy is posted in our office, is on our website, and is yours to keep on request.

By signing, I confirm I was offered a copy of the Notice of Privacy Practices.
